

Cooperation training

Cooperation within Teams & Teambuilding

Seminar objective

Together you can achieve more: The success of companies depends to a large extent on cooperation within the group. Employees, teams and their managers work together in different constellations. Flexibility and agility are in high demand here. The methods of collaboration: virtual or face-to-face can also vary. In this training, the basic principles of teamwork are presented in a practical, understandable and comprehensive manner.

Seminar content

Basics: Working successfully and efficiently in a team:

- Together into the future with agile teams
- Handing over responsibility
- Strengthening personal responsibility
- Self-responsible and constructive inner attitude in dealing with changes

The interaction within the team

- Psychological and group dynamic aspects of teamwork.
- Moderation techniques in the group
- The right way to deal with conflicts in the team
- The supervisor as coach of the group

Self-organization in agile teams:
